Never to Late

MaydiÃ«n

Maydien â€“ Never too late

[Denzel Washington]
I found that nothing in life is worthwhile unless you take risksâ€¦ nothing!
Nelson Mandela said there is no passion to be found playing small and settling for a life thatâ€™s less than the one youâ€™re capable of living

Verse 1:

I remember I used to say
â€œWhen Iâ€™m 25 I will have a nice car, a nice house, nice wife, two kids, good jobâ€•, I could go on in detail.
Donâ€™t let the baby face fool you,
Iâ€™m 28 now, broke and still my own student.
No house, one room, no wife or kids, no biz just me and my music.
Eh yeah Iâ€™m a little scared, I am not prepared for the fall or the feel.
Not that Iâ€™m down now I work hard same time thinking is my life worth risking just to get this upscale. Listening to Jay Zâ€™s Tom Ford Picasso
Would I be the next Van Goh or Evan Colossful?

Chorus:

Its never too late, its never too late, its never too late.
I would be alright if I need to finally get this way for real.
I could build my life, be alright to get this way for real.

[Denzel Washington]
So I had to be here, I had to come,
Even though I was afraid I might make a fool of myself.
In fact if you really want to know the truth,
I had to come exactly because, I had to come exactly because I might make a fool of myself.
Now what am I talking about? Here it is.

Verse 2:

Using my mom as my motivation and my stepdad as example.
Heâ€™s a superman, red cape all day goddamn man yeah, heâ€™s a superman.
I cut a piece of his cape, ran it on my neck so Iâ€™d feel strong and safe.
If it wasnâ€™t for you I donâ€™t know where I would be or what Iâ€™mma do but(but)
You thought me how to work hard, that 9-5 life makes me feel like a sweetheart
What doesnâ€™t make sense when my thoughts came from deep heart,

Iâ€™m ready for the retorts Iâ€™m ready for the cheap talk.
Listening to Kanyeâ€™s I aint got Yeezus
Would I be the next Joseph or even prestigious?

Chorus:

Its never too late, its never too late, its never too late.
I would be alright if I need to finally get this way for real.
I could build my life, be alright to get this way for real.
