I'm Left, You're Right, She's Gone

Giorgio Moroder

Well, you're right, I'm left, she's gone
You're right and I'm left all alone
Well, you tried to tell me so
But how was I to know
That she, she was not the one for me?
You told me all along
You're right, our love was so wrong
But now I changed my mind
'Cause she broke the ties that bind
And I know that she never cared for me
Well, I thought I knew just that what she'd do
Well, I guess I'm not so smart
Oh, you tried to tell me all along
She'd only break my heart
I'm left, you're right, she's gone
You're right and I'm left all alone

Well, she's gone I know not where
But now I just don't care
For now I'm falling for you
If you'll forgive me now, I'll make it up somehow
So happy we will be in a home just for three
And I'll soon forget her, now I know
Well, I thought I knew just what she'd do
I guess I'm not so smart
Oh, you tried to tell me all along
She'd only break my heart
Well, you're right, I'm left, she's gone
You're right and I'm left all alone
Well, she's gone, I know not where
But now I just don't care
For now I've fallen for you
