Oh Shit!

T. Mills

Im that dude
Im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed
And her girlfriend got the same tattoo
Im that dude
Im im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed
And her girlfriend got the same tattoo
Look
Your girl got my name tatted on her skin now
Tramp stamp you can see it when she bend down
Dudes hate
It aint concerning me
She got me branded like she joinin the fraternity
And imma star you looking for me better point far
Combined whips call it joint calls
Two girls with my name call then joint stars
But i let your girl play the one like the point gaurds
And when i call her mammi she say pappi back
You gettin dirty money sloppy stack
She got my name on her neck where they toppy that
And her friend got it too i call her copy cat
And i dont have to say a word cause its my game
So when you kissing on her name you kissin my name
And this the bow life we dont care how he feels
He lookin for the one we tell em tmills
Im that dude
Im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed
And her girlfriend got the same tattoo
Im that dude
Im im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed
And her girlfriend got the same tattoo
Spark my OG call you lisa leslie

Im a motha fuckin king wayne gretzky
Im a motha fuckin king elvis presley
And my name on your body looks so fucking sexy
Six letters wrapped around your wrist
These six letters got these bitches whipped
It t mills million a milli though
You know who i am pretend you really dont
Thats so silly girl with my name on ya
Whats yours? But tonight your names tanya
Honered to be on you thats the way it looks
Let me slam you from the cram you like a college book
Uh we some audio push ups
Girl who wanna meet us so eager just to ink us
Deicated gettin naked girl lets go to work
Listen while i beat her so its fuck what you heard
Im that dude
Im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed
And her girlfriend got the same tattoo
Im that dude
Im im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed
And her girlfriend got the same tattoo
I snatch your girl i got the game how you feel ? I said whats your name? I'm Oktane ? What's the deal ?
And She said her name was jane an from then i had to kill
Now she aint wearing nothing but my
Name and some heels
Tatted from shoulders down like im suppose to do
So when i step in i suggest you hold her close to you
All i do is show her how a magnum trojan do
And She got my name blasted cause i told her to
She saw me she saw me inked down
Caught the wave now i gotta get my sleeves now
They asked who made her do it
They tell them O did
Her man saw my name and he said oh shiitt!
And i aint really care cause baby im that rude
I aint know her name i just call her mine too
She got my name tatted on her cause im that cool
And if your man got a problem with that bomb tattoo tell emIm that dude
Im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed

And her girlfriend got the same tattooIm that dude
Im im im that dude
That Got your girlfriend to get my name tattooed
Name tattooed na na name tattooed
And her girlfriend got the same tattoo
