The Alien Song (For Those Who Listen)

Milla

I see a shining, a sweeping from the clouds
A glimmer of hope is coming to feel our light
Oh, look it's flashing, this life among the stars
Reaching out to know us to feel our mightOh, this restless hope in you
Please try and help us, stand on our ownAs we stepped on this pavement and saw your dying mind
Paper, for which you're killing a brother's life
Help you, we cannot touch you, we cannot understand
Your people's proud destruction of their own landOh, we're flying on from you
We will not stay to see your fate
