Famous

Lil Wayne & Young Money

Okay I spit that, get back, I'm intact,
In fact the artist authentic.
Are you slick like syntac? Inject.
Even the paralyzed feel my impact.
As I skim back over my words thats on the page line.
I don't write, I get high and ignite.
I got a serious mental plan.
And dental plan.
And you don't want to bring the giant out of the gentleman.
Gee Golly gigabytes in a gorillas
hand to the side of a nigga face like I don't give a damn.
Even if hes with his mans and thems.
I put his plans and limbs,
all over his pants and timbs.
And I was unfortunate to grow up like the sims.
But instead I blew up before I grew up.
I spend eight and put two up.
Cause you never know when I have to do a...
Doohoo do you, and you too, and you too... Ooohooo.
Now Im kookoo like birds with my words,
Im poopoo meaning I'm the shit on you turds.
Yes and I get on your nerves.
Yes and I get on your nerves.
Yes and I get on your nerves.
And sit on your mind like piss on the curb.
Bitch don't disturb me while I'm working.
Shit I must be some shoe string.
I like my tugs baggy and my turf clean.
Check my pattern scheme,
I probably have on rocks from the moon and saturns ring.
Whose badder? Give em a ladder.
Tell them climb on up here and watch me get at her.
The badder part of it is these niggas hate,
but you won't even get a bar on my mixtape.
Im probably on a boat feeding a bitch grapes, and crapes.
By the way thats french pancakes.
Da palon france, Tre bien, cason a dor, chor le bien.
Pardon the french, pardon the stench,
But I smoke that grinch till my eyes squench,

I meant squint,
Im so bent,
Like a dent,
But bitch Im still like Clark Kent.
Hook:
My momma used to tell me not to nobody fuck with me,
It stuck with me,
I keep it real to the world publicly.
Unbelievable, Ohhh.
I said my momma used to tell me not to nobody fuck with me,
It stuck with me,
I keep it real to the world publicly.
Unbelievable, Ohhh.
And she said they love you when they hate ya,
and its all just a part of our animal nature,
Son just watch your damn behavior,
Cause every animal has a tamer,
I come from where the gangstas came up,
Go down like the rain that the drain sucks,
Goddamn the game sucks,
Thank God im Famous.
