

Da Club

Trina

Ladies and gentlemen
I was eighteen and she was twenty-five
And I was kinda fast for my age
It was the first time drankin' cheap wine
And then she took her place on the stage
The club went crazy
(Girl, you doin' it)
The way she shake dat ass
Show amazed me
Ladies and gentlemen
I make my body drop then my pussy pop
I gotta make some hot, that's what I'm talkin' 'bout
I'm in that red zone, I got they head gone
You should see me in that thong, th-th-thong, thong
I make this ass bounce and these titties fight
I make my thighs tremble, 'cuz that's what niggaz like
I got these niggaz right, you betta ask somebody
And if he ask about me, he betta pack his wallet
See I'ma guy pleaser slash don diva
Slip N Slide off these thighs, yeah, fine Trina
Take it to the bottom, gimme grey goose
Lemme get it started, it's time to tear it loose
Catch a wall, back it up, ooh, excuse me
You bitches betta make a way For this booty
See I'ma cutie, yours truly
Get out the way of this muthafuckin' dooly
The DJ cued the record and the record went boom
Make a circle, give the lady some room
Jolly make her body rock, followed wit' da pussy pop
And everybody gave her they money
The club went crazy
(You is a bad mama jama)
The way she shake dat ass
Show amazed me
Ladies and gentlemen
A bad bitch in the club and she so astounded
I'm the star of this bitch, 'cuz the show around me
I'm the bitch who been crowned me Miss Miami
Every nigga in the club wanna get in my panties

But if you payin' it, I'm layin' 'em
And if the nigga still standin', I consider the man
And he wanna cram it and jam it
Put the pickle in the middle muthafucka not the fanny
That access has not been granted
It's the way that I struck make a nigga wanna fuck
And it's the lust make a nigga wanna touch
And I'm not just a ho or a slut, I'm a plus
So where you ducks at? Where yo bucks at?
If he ain't up in dat, get da fuck back
See I done struck back just like lightening
Every nigga in this bitch wanna pipe me
The man said, "Last call gon' getcha alcohol"
And we dancin' way in the back
Now everybody got to know
Me and her 'bout to go take it to the Cadillac
The club went crazy
(Congratulations, you got her)
The way she shake that ass
Show amazed me
Ladies and gentlemen
Now he breakin' it off, takin' it off
And he makin' it wet, I'm makin' it hard
And I'm drivin' his 'lac and swipin' his card
And I'm signin' his checks, For givin' him sex
And it's the body that they dyin' to get
It's amazin' how these niggaz be cryin' for this
And it's so crazy that they lyin' for dis
But, but you gotta get in line, you dick
Now that's the shit make these niggaz wanna holla
Look like a model, shaped like a coke bottle
Break his bank down to his last low dolla
