Everyday

Tarralyn Ramsey

Ooh yeahYou're the morning light
You're the air I breathe
You are my inspiration
Never needs my wingsYou are my joy, dear Lord
You are my soul
You are my sunshine
In the middle of the songYou give me peace
(When I'm surrounded by confusion)
If I ever have a problem
(You offer a solution)
Can't put Your trust in man
(People always changin')
No matter who may come and go
I know that You'll be stayin' by meEveryday the same
Jesus, You'll never change
You make me wanna sing
Sing, sing, sing, singEveryday the same
Jesus, You'll never change
You make me wanna sing
Sing, sing, sing, singThere ain't no way
That I can live without You
You are my consolation
When I'm sad and blueYou never flip or scream to me
Like some of my friends
You were there from the start
And I know You'll be there till the endYou give me peace
(When I'm surrounded by confusion)
If I ever have a problem
(You offer a solution)
I can't put my trust in man
(People always changin')
No matter who may come and go
I know that You'll be stayin' by meEveryday the same
Jesus, You'll never change
You make me wanna sing
Sing, sing, sing, singEveryday the same
Jesus, You'll never change
You make me wanna sing
Sing, sing, sing, singEveryday the same

Jesus, You'll never change
You make me wanna sing
Sing, sing, sing, singEveryday the same
Jesus, You'll never change
You make me wanna sing
Sing, sing, sing, singEverytime I call You, You always answer me
Everytime I need You, You are there for me
Opened up my blinded eyes when I could not see
I'll tell the whole world You are my everything, ohOh yeah, oh yeah
