Kitty Kat

BeyoncÐµ

You know I hate sleeping alone
But you said that you would soon be home
But, baby, that was a long time ago

I'm not feelin' it
I'm not feelin' it

On top of you not calling me back
You see, I bet you think it's all on track
And you actin' like it's all of dat

I'm not feelin' it
I'm not feelin' it

[Chorus]
Let's go
Let's go, little kitty kat
I think it's time I go
Let's go, little kitty kat
He don't want no mo'
Let's go, little kitty kat
Quite frankly
No mo' getting it--I'm not feeling it

It's like we at two places, but different paces
We in trouble, but you won't meet me at the bridge
It hurts; it feels deserted
Did you forget where my heart lives?

What about my body, body?
You don't want my body, body
Acting like I'm not nobody
You goin' make me call somebody
What about my body, body?
What about my body, body?
You would rather go and party
Somehow, somewhere I'll be naughty

You know I hate sleeping alone
But you said that you would soon be home

Baby, that was a long time ago

I'm not feelin' it
I'm not feelin' it

On top of you not calling me back
You see, I bet you think it's all on track
And you actin' like it's all of dat

I'm not feelin' it
I'm not feelin' it

[Chorus]

(Let me show you how to get there)
Make a left to compassion (lights will be flashin')
Keep straight and you'll see the sign right there
Affection (you're in the wrong direction)
If I get caught, see, it just seems that you don't care

What about my body, body?
You don't want my body, body
Acting like I'm not nobody
You goin' make me call somebody
What about my body, body?
What about my body, body?
You would rather go and party
Somehow, somewhere I'll be naughty

You know I hate sleeping alone
But you said that you would soon be home
But, baby, that was a long time ago

I'm not feelin' it
I'm not feelin' it

On top of you not calling me back
You see, I bet you think it's all on track
And you actin' like it's all of dat
(Your sex ain't all that)

I'm not feelin' it
I'm not feelin' it

[Chorus]

I'm taking back the things I got from you, you
And that includes my sweet little nookie too, too

Let's go
Let's go
Let's go, little kitty kat (kitty kat)
He don't want you anymore
No
Let's go
Let's go, little kitty kat (kitty kat)
He don't want you anymore
No

Got diamonds on my neck
Got diamonds on my records
Since sixteen I was coming down ridin' Lexus
How you gon' neglect this?
You is just a hot mess
You can call Tyrone
You ain't gots to lie, Craig

What about my body, body?
You don't want my body, body
I'm in the house all alone
You rather go and party?
What about my body, body?
You don't want my body, body
Acting like I'm nobody
You gon' make me call somebody

Let's go
Let's go, little kitty kat
I think it's time to go
Let's go, little kitty kat
He ain't want no mo'
Let's go, little kitty kat
No mo' getting it--I'm not feelin' it
