Youth for Christ

Verse:
You see me now but you don't know just where I've been
Or what I've gone through
All I can say is I've been redeemed
He changed my heart and now I'm free

Chorus:
I make no apologies
About the way I worship
He is everything to me
I owe Him all the praise

Verse:
You see me now but you don't know the many nights
I've cried all night long
All I can say is I'm better now
He changed my life and now I'm free

Chorus

Bridge:
I lift my hands
Because You're worthy
I lift my voice
To sing Your praises
I will declare your goodness and will always give you glory
Because You've done
So many great thing
Because You are
The creator of all things
I will worship you and always give you glory

Chorus

Bridge 2:
You are my everything
Lord I really love you

Vamp:
I love you Lord
