Don't Give Up

Ferras

Letters that we don't send
Say the things we mean most
They remain inside us
Haunting, holding
When I dream, I can't sleep
When I miss, I miss you
When I leave it always leaves me
Wanting, wanting
Don't give up on me
We may need a miracle
Look at you
There's an angel who never left me completely
No, don't give up on me
'Cause we are physical
Look at you
I see an angel that wants to leave
Don't you give up on me
And when we least expect it
They decide to break through
Seems a heart may know me
I know you, know you
When I sleep, I can't dream
When I miss, I mean stay
When I stay, I'm always staying for you
For you
Don't give up on me
We may need a miracle
Look at you
There's an angel who never left me completely
No, don't give up on me

'Cause we are so physical
When you touch, when you feel
When you see what I can be
Don't you give up on me
And for everything we take
We must give something
And our hearts will have to break
Before we feel something, feel something

All I destroy
Begins to mean something
Without you, without the trust
Without you, without the trust, oh
Don't give up on me
We may need a miracle
Look at you
There's an angel who never left me completely
Don't give up on me
We may need a miracle
Look at you
I see an angel that wants to leave
Don't you give up on me
Don't give up on me
'Cause we are so physical
When you touch, when you feel
When you see what I can be
Don't you give up on me
Don't you give up on me
Don't you give up on me
Don't you give up on me
