

Five Nights at Freddy's: Night 5

random encounters

Mark: Somewhere something's hiding in the dark!

Nate: Somewhere Springtrap's out there roaming free

Freddy: Somewhere here a monster's on the move!

Mark: Something tells me we're all gonna be... DEAD

Freddy: Come on, Freddy, Find it!

Don't let things get any worse!

Nate: There dead ahead; Should be shiny and red!

Freddy: Looks like somebody got to it first!

Bonnie: Somewhere here's a thing I'm supposed to find!

Nate: Bonnie turn around you dim, behind!

Chica: Someone help, I can't find this alone!

Mark: Camera's down, look sharp, you on your own!
