Red Martians

Patent Pending

Well I've been walking for so long
in the pouring rain,
and now I'm singing love songs
to keep away the pain,
because I know your leaving
and I don't know why,
but I know I'll never get you back
so I guess that I won't try,
I won't TRYYY
those secrets you've been keeping
inside your head
those times that you had hurt me
with things you said
And now I know your leaving
no I just can't find the reason
but I'm awfully glad it's raining.
This way you can't see me.
you can't see me cry.
So now I'll try my best to,
to forget the past
another hopeless romance
that I thought would last
because you used me up
and pushed me to the side,
but I know I'll never get you back,
so I guess that I won't try,
those secrets you've been keeping
inside your head
those times that you had hurt me
with things you said And now I know your leaving
no I just cant find the reason
I'm awfully glad it's raining
This way you can't see me
you cant see me cry.
those secrets you've been keeping
inside your head
those times that you had hurt me
with things you said
And now I know your leaving

no I just cant find the reason
but I'm awfully glad it's raining.
This way you can't see me cry.
you cant see my cry.
I'm stopping from calling
I know that your balling
deep down in your heart
as your gracefully falling apart
falling apart.

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
