Deeper

Nelson Freitas

Lay back relax girl tonight will be a night that you'll never forget
Tonight will be a night that you won't regret
Cause I aim to please wanna make a bet on it girl
Cause you are by far the most beautiful girl I have been with so far
And tonight girl is your night so go ahead and lay down your guard

We'll take it slow I'm let you decide the tempo
But one thing is for sho I'm hitting it tonight girl
Oh girl tell if you feel me too the way that I'm feeling you cause I can go deeper, deeper
Tell me girl if you feel me too the way that I'm feeling you cause I can go deeper, deeper if you want me too

It a joy ride so enter the my world and enjoy the ride
See I can make you feel like a kid in a candy shop
If you all that I got girl
Cause you are by far the most beautiful girl I been with so far
And tonight we are going all the way
Gonna make you feel like a princess today

We'll take it slow I'm let you decide the tempo
But one thing is for sho I'm hitting it tonight girl
Oh girl tell if you feel me too
The way that I'm feeling you cause I can go deeper, deeper
Tell me girl if you feel me too the way that I'm feeling you cause I can go deeper, deeper
If you want me too

I can go deeper in you
Reveal the inner lover in you
I'm talking to the animal in you
Plus the deeper than feeling in you
Hey girl tell if me you like the way
And you like the way
I can go deeper, deeper till you reach her

Oh girl tell if you feel me too
Cause I can go deeper, deeper tell me girl
If you feel me too
Cause I can go deeper, deeper if you want me too
We'll take it slow I'm let you decide the tempo
But one thing is for sho I'm hitting it tonight girl

I'm hitting it tonight girl
I'm hitting it tonight girl

Oh girl tell if you feel me too
The way that I'm feeling you cause I can go deeper, deeper
Tell me girl if you feel me too
The way that I'm feeling you cause I can go deeper, deeper
If you want me too
