Wake Up

Nadine Coyle

I can't lose if I don't fight
I'm not wrong if this feels right
You can't go if I don't go
You can't quit if I say no
I can't fail if I don't try
I can't deceive if I don't lie
You step forward then I step back
You can't act if I don't actAnd you say I'm living in a dream
state I gotta go my own way
but I ain't lettin' this slip now
oh not nowChorus
I don't wanna wake up
can't let go of me yet
can't you see that
I don't wanna wake up
can't say this is over
don't you know that
cause I've been workin'
too hard for this for too long
put in my heart and risked somemoreI don't wanna wake up
can't let go of me yet
can't you see that
I need you
you you youyou don't know and I'm so sure
you can't leave and take my all
and I can't lose it if I don't find
I ain't wrong if this feels right
then you say I should be movin' on
but I, I got no way to go
without you so I'm stayin'
oh I'm stayin'
ChorusI need you
you you you
Can't you see that
No one else will do?
Nobody but you
I'll do anything
I'll go anywhereChorus
