Game For You

Colby O'donis

She's so sweet, so innocent
Naive, but I won't take advantage
Of the fact that she fell in love
No, no, noAnd I'll never ever make you cry
No, I'll never tell a lie
Even though the fellas
Say that it's so obviousShe don't know anythin bout love
But I'll educate you girl, cate you girl
She don't know anythin bout love
But I'll educate you girlGirl, I got game for you
If you don't want me to
Then it ain't happenin'
We can stay only friends'Cause girl, I got game for you
But if you want me to
Then it'd be happenin'
And we could be more than friendsBaby, don't be scared, the truth is
I was there in your position
Yes, I care, I was aware
So I respect of it's importance
It's a gift, don't wanna spoil it
I'm aware that you careShe don't know anythin bout love
But I'll educate you girl, cate you girl
She don't know anythin bout love
But I'll educate you girlGirl, I got game for you
If you don't want me to
Then it ain't happenin'
We can stay only friends'Cause girl, I got game for you
But if you want me to
Then it'd be happenin'
And we can be more than friendsGirl, I know in my heart
That you wanna start with me
And that could tear us apart, baby
One day, you'll be all for me
And I'll be all for youGirl, I got game for you
If yau don't want me to
Then it ain't happenin'
We can stay only friends'Cause girl, I got game for you
But if you want me to
Then it'd be happenin'

And we could be more than friendsGirl, I got game for you
If you don't want me to
Then it ain't happenin'
We can stay only friends'Cause girl, I got game for you
But if you want me to
Then it'd be happenin'
And we could be more than friends
