Possessed By Evil (2011)

Necronomicon

When He was young, I have seen a great darkness and the worries
but it's his destiny, He's Possessed By Evil.His parents thought he's cursed, the neighbor gets in panic
He doesn't play the normal games, there's no after it
Torment his only aim. In the end, it's decapitated
'cause he's possessed by evil and his parents thought he's cursedPre-'cause he's possessed by
EVILLLLLLLThe Darkness which he likes far away there's a realm of evil
'Cause, He will rape your lovely wife and tonight his only child
He likes the smell, this smell of death and then he got in ecstasy
It will be better you follow him, you can't escape his bloody hunt
He's Possessed by Evil and his Master
sitting on a throne of Blood.
