Lisa's Clean

The Cootees

Lisa is a girl I know
Shes always clean wherever she goes
oh no even at the punk show
Lisa yeah shes doin' fine
She's got problems and its worse than mine
Shes clean if you know what i mean
I never said that Lisas mean
All I said well Lisa yeah shes clean
I know that Lisa could be
Just as dirty as you and me
Shes clean if you know what I mean
Lisa yeah she don't care
Shes got purple underwear
Shes clean no shes not mean
