

Last Thing On My Mind

Ronan Keating

Four o'clock in the morning
My mind's filled with a thousand thoughts of you
How you left me without a warning
But looking back I'm sure you tried to talk it through
Now I say it so clearly
We have been together but living separate lives
So I wanna tell you I'm sorry
Baby, I can't find the words
But if I could
Than you know I would, yeah
No, I won't let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind
You carried me like a river
How far we have come still surprises me
Now I look in the mirror
(Look in the mirror)
Staring back is a man I used to be with you
How I longed for you
No, I won't let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind
Girl, I'm sorry I was wrong
Couldn't be there, should have been so strong
So I'm sorry
Ohh, no, I won't let go, no, why we can be
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind
(On my mind)
I will watch my life crashing down on me
As I had it all right there before my eyes, yeah
Girl, I'm sorry now, you were the last thing on my mind
On my mind
(On my mind)
