J. Crew

Chixdiggit!

She says she used to model for J crew
but I don't know what that means
she said it's just a bunch of clothes from a catalog
like Abercrombie and LL BeansI really never heard of them either
I guess we're from different scenes
she says she used to model for J crew
but I don't know what that meansShe lived in an apartment in St Mark's
With moguls from model school
she says she used to kinda be neighbors
with the guy who sang let love ruleshe says she also danced in a Gap ad
that I've just seen on tv
she says she used to model for J crew
I'd like to know what that meansI got a feeling now things ain't gonna work out
I guess that she feels the same
I was trying to think of ways to get out of there
I was getting sweat stains on my barretshe probably didn't want me there either
[...] in between
she says she used to model for J crew
and now I know what
and now I know what
and now I know what that means
