Beautiful Mistake

Campsite Dream

hey
do you promise me your'e everything we used to be
now nothing feels like coming round
hey dear oh pardon me
you might don't wanna to argue with
but everything comes back around
yeah only seven days ago you told me that you love me so
my mind is going no no no
we will never be everything we used to be babe all you do is run your mouth
(ohhhh)
(ohhhh)
don't worry i am gonna be okay
(ohhhh)
(ohhhh)
don't worry your'e just a beautiful mistake
your'e just a beautiful mistake
(ohhwaaay)
(ohhwaaay)
(ohhwaaay)
your'e just a beutiful mistake
(ohhwaaay)
(ohhwaaay)
(ohhwaaay)
hey

now nothing feels like coming round

(ohhwaaay)
