Someday We'll Know

New Radicals

90 miles outside Chicago
Can't stop driving, I don't know why
So many questions, I need an answer
Two years later, you're still on my mind
Whatever happened to Amelia Earhart?
Who holds the stars up in the sky
Is true love just once in a lifetime?
Did the captain of the Titanic cry?
Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I wasn't meant for you
Does anybody know the way to Atlantis?
Or what the wind says when she cries?
I'm speeding by the place that I met you
For the 97th time tonight
Someday we'll know if love can move a mountain

Someday we'll know why the sky is blue
Someday we'll know why I wasn't meant for you
Someday we'll know why Samson loved Delilah
One day I'll go dancing on the moon
Someday you'll know that I was the one for you
I bought a ticket to the end of the rainbow
I watched the stars crash in the sea
If I could ask God just one question
Why aren't you here with me tonight?
Someday we'll know if love can move a mountain
Someday we'll know why the sky is blue
Someday we'll know why I wasn't meant for you
Someday we'll know why Samson loved Delilah
One day I'll go dancing on the moon
Someday you'll know that I was the one for you
