

# Someday We'll Know

## New Radicals

90 miles outside Chicago  
Can't stop driving, I don't know why  
So many questions, I need an answer  
Two years later, you're still on my mind  
Whatever happened to Amelia Earhart?  
Who holds the stars up in the sky  
Is true love just once in a lifetime?  
Did the captain of the Titanic cry?  
Someday we'll know if love can move a mountain  
Someday we'll know why the sky is blue  
Someday we'll know why I wasn't meant for you  
Does anybody know the way to Atlantis?  
Or what the wind says when she cries?  
I'm speeding by the place that I met you  
For the 97th time tonight  
Someday we'll know if love can move a mountain

Someday we'll know why the sky is blue  
Someday we'll know why I wasn't meant for you  
Someday we'll know why Samson loved Delilah  
One day I'll go dancing on the moon  
Someday you'll know that I was the one for you  
I bought a ticket to the end of the rainbow  
I watched the stars crash in the sea  
If I could ask God just one question  
Why aren't you here with me tonight?  
Someday we'll know if love can move a mountain  
Someday we'll know why the sky is blue  
Someday we'll know why I wasn't meant for you  
Someday we'll know why Samson loved Delilah  
One day I'll go dancing on the moon  
Someday you'll know that I was the one for you
