Hollywood Girl

Mitchel Musso

[Girl:]
Are you putting in your songs?
[Drake:]
No, I'm not when you ask
Nope
Kind of I guess
Hollywood girl
Is lost again
All of her hopes left her stranded
Seasoned dreams
Are just pretend
She can't stand it
Why'd it have to happen to me
Why'd it have to hurt so bad
Cause in this town
Can't find up but I found down
In the city life
Can't turn around
Can't give up I feel too proud
Under the city lights
She doesn't believe
In believing
Miracles have died in her mind
She knows the world
Is deceiving

Everything is wastin' her time
Why'd it have to happen to me
Why'd it have to hurt so bad
Cause in this town
Can't find up but I found down
In the city life
Can't turn around
Can't give up I feel too proud
Under the city lights
Get in line and hold your head high
Pretty face will help you get by
Step inside I'll make your tears dry
So put on your smile

Ha
Cause in this town
Can't find up but I found down
In the city life
Can't turn around
I can't give up I feel too proud
Under the city lights
[Girl:]
One of the drivers has to pick you up at the airport
And bring you to my photo shoot so I can see you
I'm so sorry, I tried to get it changed
I'm so sorry baby
Don't be mad
