

Fall Into Me

Jamie Lawson

Who's gonna love you when I'm gone?
Who's gonna hold you when I can't?
These are the words that you tasted
 This is the fear that you held
Who's gonna love you when I'm gone?Don't dislocate these feelings
 from the truth that you hold in your hands
 I'll be, colors you see,
 Air that you breathe
 Fall into me,
 It wont be the last time
 All that you know
 Sparks that you throw
 Fall into me
 It wont be the last time
 I'm still gonna love you when I'm gone
 You're still gonna sense me when you're scared
 These are the tears that you tasted
 This is the world where we hail
I'll always love you when I'm goneDon't dislocate these feelings
 From the truth
 From the truth that you hold in your hands
 I'll be
 Colors you see
 Air that you breathe
 Fall into me
 And it wont be the last time
 All that you know
 Sparks that you throw
 Fall into me
 And it wont be the last time
 Hope that insists
 Truth still exists
 Fall into me and it wont be the last time
 You fall into me
 You fall into me
 You fall into me
 You fall into me
 I'll be,
 Colors you see,

Air that you breathe,
Fall into me,
And it wont be the last time
All that you know
Sparks that you throw
Fall into me
And it wont be the last timeHope that insists
Truth still exists
Fall into me and it wont be the last time
You fall into me
You fall into me
