

I'm Movin' On

Emmylou Harris

Yeah, that big eighteen wheeler rollin' down the track
Means your true lovin' mama ain't comin' back
I'm movin' on I'll soon be gone
You were flyin' too high for my little old sky, I'm movin' on. That big loud whistle as it blew and blew
Said hello to the southland we're comin' to you
I'm movin' on keep rollin' along
Yeah, you had the laugh on me but I've set you free and I'm movin' on. Mister fireman won't you please listen
to me
'Cause I got a pretty daddy in Tennessee
Keep movin' me on keep rollin' on
So shovel the coal let this rattle a roll and keep movin' me on.
Mister engineer take that throttle in hand
This rattler's the fastest in the Southern land
Keep movin' me on keep rollin' on
You can ease my mind put me there on time and movin' on. I warned you baby from time to time
But you just wouldn't listen or pay me no mind
I'm movin' on keep rollin' along
You have broken your vow and it's all over now I'm movin' on.
You switched your engine now I ain't got time
For a trifling woman on my main line
I'm movin' on keep rollin' on
I've warned you twice now you can settle the price, I'm movin' on.
