Small Town Boy

80s Pop Stars

Everyone wants to be a small town boy
With big town dreams in a small town world
So I express your fears to a fresh pair of ears
And I'll tell you once, then make you steer
'Cause I already know
'Cause I already know
Image is dead for the price of your sight
So they'll say, then change your mind
Express your tears to a new found fear
And trust the one with the following cheer
'Cause I already know
'Cause I already know
Let's get out of here
Let's get out of here
So this is your chance, don't mess it up
'Cause everybody's watching
You know, everybody's watching you
So this is your dance, make of it what you will
'Cause you know everybody's watching you
Let's get out of here
Let's get out of here
Let's get out of here
Let's get out of here
