

With Ears To See And Eyes To Hear

Sleeping With Sirens

True friends lie underneath,
their witty words I don't believe
I can't believe a damn thing they say, anymore
Lie Lie Liar! Liar you'll pay for your sins
Lie Lie Liar! Liar you'll pay for your sins
So tell me how does it feel,
how does it feel to be like you?
I think your mouth should be quiet
Cause it never tells the truth
So tell me, so tell me why,
why does it have to be this way?
Why can't things ever change?
I'm Falling over, and over again
from all the words that you have said
Its written on my heart for everyone to see...
From the place I was, to the place I am,
to the place I want to be

From the mountains I've been climbing over
and under and over
So tell me how does it feel,
how does it feel to be like you?
I think your mouth should be quiet
Cause it never tells the truth
So tell me, so tell me why,
why does it have to be this way?
Why can't things ever change?
So come down now,
Come down from your tower now!
Come down
Come down from your tower
Come down
Come down from your tower
Come down...Come down from your tower
"Come down, come down from your tower"
"Come down, come down from your tower"
