The Second Coming

Chelsea Grin

Santana I mean even though we stand alone we stand together.
Ladies and gentlemen,
Prepare for landing,
Fasten your seat belts,
Thank you for flying Air Force Airlines,
They call me the captain,
"Just BLAZE"
They say a family that prays together, stays together.
And one that walks apart just falls apart.
So, together we stand, divided we fall.
United, we form Voltron and take off all. Let?s move.
Yes, the birds left the nest.
I?m all grown up I gotta fly with the rest.(uh huh)
Best of the best is what we strive to be. (Yeah).
A legacy is what we trying to leave.
Ya dig?
Now say goodbye to the past.(why?)
The future is here at last.(at last)
The second coming.(yea)
The new beginning.(yea)
The truth is speaking.(uh huh)
You should listen.
So glorious.
Victorious.
We take what we want we born warriors.
So glorious,
Victorious.
We take what we want we born warriors.
If you fall, get up and try it again.(uh huh)

If you drop, get up and try it again.(uh huh)
If you fall, get up and try it again.(uh huh)
If you drop, get up and try it again
We tired of being runners up.
We coming up. Yup.
We ready for whatever you put in front of us. (Whatever)
Blood, sweat, tears, (yeah)
We dripped all three just to get here.(here)
No longer will I wake up and my dreams just vanished.(nope)

It?s staring right at me, I must take advantage.
Hard work pays off, you get what you put in.
So why stop now?
Gotta keep pushing. (Keep pushing)
We in a fight to the finish,
So why not fight 'till you finished?
Dig it?
I?m my own author, here?s my story.
My life?s been full of pain,
Now where?s my glory?(ahh)
So glorious.
Victorious.
We take what we want we born warriors.
So glorious.
Victorious.
We take what we want we born warriors.
If you fall, get up and try it again.(uh huh)
If you drop, get up and try it again.(uh huh)
If you fall, get up and try it again.(uh huh)
If you drop, get up and try it again.
Ay, Ya dig?
