He Is Mad

Julia Nunes

He is mad,
She is also mad.He has had it up to here with her sarcasm.
Now listen dear, if I've told you once,
and I told you twice,
you knew what you were doing.
Oh, I've never been that nice.If you're surprised,
it's your own fault.She walks away.
He is calling her name.
Aw, baby I have come to learn you'll never take the blame.'Cuz I am always wrong and you're always right.
Apologize, does that end the fight.And she stares at him, and the words come to a halt.
