Candy Says

Martin L. Gore

Candy says, I've come to hate my body
And all that it requires in this worldCandy says, I'd like to know completely
What all they so discretely talk aboutI'm gonna watch the blue birds fly
Over my shoulder
I'm gonna watch them pass me by
Maybe when I'm olderWhat do you think I'd see
If I could walk away from meCandy says, I hate the quiet places
That cause the smallest taste of what will beCandy says, I hate the big decisions
That cause endless revisions in my mindI'm gonna watch the blue birds fly
Over my shoulder
I'm gonna watch them pass me by
Maybe when I'm olderWhat do you think I'd see
If I could walk away from me
