So Lucky

Ian McLagan

I
Don't exactly
Believe in love,
But I
Can say this much,
I'll give you my heart
If you give me yours.

I
Wake up in the morning,
Sun is still rising,
You're still asleep,
And I
Take these few moments to
Realize
That I
I'm so lucky to
Have you by my
My side.

I
Will not be there
Every time you need me
But I'll try to.
You
Will not be there
Every time I need you
But I know
You're trying too.

I
Wake up in the morning,
Sun is still rising,
And you're still asleep,
And I
Take these few moments to
Realize
That I
I'm so lucky to

Have you by my side.

I
Will not be there
Every time you need me
But I'll try to.
You
Will not be there
Every time I need you
But I know
You're trying too.

I
Don't exactly
Believe in love,
But I
Can say this much,
I'll give you my heart
If you give me yours.
