Raining

The Workout Heroes

I'm scared to look down, never been so high
And I can't look up with a closing mind
I'm scared to be touched, I don't like the feel
It's way too close, way too real'Cause inside it's raining, it never lets up
I know I'm crazy, crazy enough
To know that I, I'll find a way
To make this all go awayI'm scared to be me 'cause I look like you
I don't wanna be somebody I never knew
I'm scared to go out, I'm so far in
I hear it's nice but I've never been'Cause inside it's raining, it never lets up
I know I'm crazy, crazy enough
To know that I, I'll find a way
To make this all go awayI found my only out
So just forget about talking me down, yeah
I'll put this fire out and stop the burningInside it's raining, it never lets up
I know I'm crazy, crazy enough
To know that I, I'll find a way
To make this all go awayInside it's raining, it never lets up
I know I'm crazy, crazy enough
To know that I, I'll find a way
To make this all go awayInside it's rain
(I'll make this all go away)
Inside it's raining
(I'll make this all go away)Inside it's raining
(I'll make this all go away)
Inside it's raining
(I'll make this all go away)
