Blisters

Coal Chamber

Believe in the blisters once again, deliverance now my only friend
I've crawled through the flesh and back again for us, to be
Near consequence without nothing much
Sheer prayers, it's all been just good luck
Couldn't make it but thanks for showing up again, and beCuts deep inside of my own skin, I'm saving all my sheep for sin
Cuts deep inside of my own skin, I'm saving all my sheep for sinBelieve in the blisters once again, deliverance now my only friend
I've crawled through the flesh and back again for us, to be
Near consequence without nothing much
Sheer prayers, it's all been just good luck
Couldn't make it but thanks for showing up again, and beCuts deep inside of my own skin, I'm saving all my sheep for sin
Cuts deep inside of my own skin, I'm saving all my sheep forDon't want one percent of nothing 'cause I'm never coming back again
Don't want one percent of nothing 'cause I'm never coming back again
Don't want one percent of nothing 'cause I'm never coming back again
Believe in blisters, believe in blistersCuts deep inside of my own skin, I'm saving all my sheep for sin
Cuts deep inside of my own skin, I'm saving all my sheep forDon't want one percent of nothing 'cause I'm never coming back again
Don't want one percent of nothing 'cause I'm never coming back again
Don't want one percent of nothing 'cause I'm never coming back again
Believe in blisters, believe in blistersIt feels, it feels, it feels, it feelsSaid your motion, it feels like a knife
Said your motion, it feels like a knife
Said your motion, it feels like a knife
Said your motion, it feels like a knifeSaid your motion, it feels like a knife
Said your motion, it feels like a knife
Said your motion, it feels like a knife
Said your motion, it feelsDon't want one percent of nothing 'cause I'm never coming back again
Don't want one percent of nothing 'cause I'm never coming back again
Don't want one percent of nothing 'cause I'm never coming back again
Believe in the blisters, believe in the blisters
