Always

Harry Nilsson

Ill be loving you always
With a love thats true always.
When the things youve planned
Need a helping hand,
I will understand always.

Always.

Days may not be fair always,
Thats when Ill be there always.
Not for just an hour,
Not for just a day,
Not for just a year,
But always.

Ill be loving you, oh always
With a love thats true always.
When the things youve planned
Need a helping hand,
I will understand always.

Always.

Days may not be fair always,
Thats when Ill be there always.
Not for just an hour,
Not for just a day,
Not for just a year,
But always.

Not for just an hour,
Not for just a day,
Not for just a year,
But always.
