Silver and Gold

Hudson Henry

Through the storm
We'll find warmth
Underneath the light of diamond studded skies
Here I am
To begin again
I see my breath as all my secrets leave meShadows take me
Dusk till dawn
Darkness, embrace me
I'll hold onSilver hopes and
Golden Dreams
Are we cracked at the seams?
If I could touch you
If I could see
How I want to believe
You're here with meInto the night
A beam of light
Shimmers over us
Lost and overcome
Don't wanna run
I don't want to hide
Just like outlaws under western skiesShadows take me
Dusk till dawn
Darkness, embrace me
I'll hold onSilver hopes and
Golden Dreams
Are we cracked at the seams?
If I could touch you
If I could see
How I want to believe
You're here with me
