I Miss You Now (OST Wicker Park)

Stereophonics

I feel I want to hold you, want to tell you that you'll be alright
Sang this song today, it's recalling your pictures all in my mind
I miss you now
I miss you now
Although we're getting old now my old friends gonna leave me and die
I'm helpless, it's gonna get us before we get this, I want to kiss you goodbye
I miss you now
I miss you now
I miss you nowI feel I want to hold you, want to tell you that you'll be alright
I'm helpless, it's gonna get us before we get this, I want to kiss you goodbye
I miss you now
I miss you now
I miss you now
