Pop Will Eat Itself

GreboListen to the word of a man I overheard
He said tell them grebo
Tell them grebo
Tell them you're the firstGive them everything you've got
You've got enough to rock the shop
You know that it comes easy
When you want it bad enoughYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceGreboSometimes a man is weak
And sometimes a man is strong
If you walk it like you talk it
Then you know you'll do no wrongWe've got everything you want
And we've got everything you need
Oh, hell if that ain't good enough
Then we can make you bleedGreboYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate

(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceRar, rar, rar, rar, rar, rar, rar
(Fuck this shit)
(Fuck this shit)
(Fuck this shit)
(Fuck this shit)United by love
Until death shall come
Smile 'cause we love you
You've got no need left to runIf you take then give it
If you love it then live it
If you find it then you keep it
Gotta feel it gotta bleed itYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh grebo)
Then get out of my faceIf you like it you can buy it
Do you want it bad enough
They keep lasting special offers
On the back seat of the busWe've got everything you want
And we've got everything you need
Learn to stand up straight my man
And get up off your kneesYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)

Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceYou gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my faceGive it all
