Raised By Wolves

Simon Kelsey SIKE

I was lost, I went down.
I was sustained by the sound
of the angels singing me to sleep;
now my feet are leaving the ground.
Am I dead or am I dreaming instead,
a cornucopia of opiates are flooding my head.
I'm insane, I am smart
all it takes is a spark to ignite my bad intentions,
and do what I do best to your heart,
don't be fooled, I was raised by the wolves.
Now the moon takes it's full, so you know I won't play by the rules.
I will never sleep.
Spill my blood for you.
You have let me down,
one too many times.
Some way, somehow, we're falling out,
caught in-between my enemies!
No way, not now, I won't back down.
I draw the line with you and me!
You're what I started, now disregarded,
one day they'll see, it was always me.
Due to mistakes that I have made to this day,
I am trapped inside a Dillinger,
villains only of thinking of ways to get out of this god awful place.
I have learned that my fate is something I can escape so,
sound the alarms, we were dead from the start.
It's a never ending system,

break me down, and tear me apart.
Don't be fooled, I was raised by the wolves.
Now the moon takes its full, so you know I won't play by the rules.
I will never sleep.
Spill my blood for you.
You have let me down,
one too many times.
Some way, somehow we're falling out,
caught in-between my enemies!
No way, not now, I won't back down.
I draw the line with you and me!

You're what I started, now disregarded,
one day they'll see, it was always me.
This is the end of you;
this is where I draw the line.
And I will live.
This war is mine.
Spill my blood for you,
one too many times.
Some way, somehow we're falling out,
caught in-between my enemies.
No way, not now, I won't back down.
I draw the line with you and me.
You're what I started, now disregarded,
one day they'll see, it was always me.
One day they'll see, it was always me.
It was always me.
