Hard To Know

Mindy Smith

(Maybe you should rattle the cage)Well, you should've heard the way
I've been talking to myself
Treating her like common trash
On the side of the roadAnd you should've seen the ride
I was taking straight to hell
Handing my soul
To the likes of the devilSometimes it's hard to know
That you need to be saved
'Til you hit the bottom
And rattle that cage
Sometimes you just gotta keep
Digging awy
Until you break through
To the light of dayI really didn't care
'Cause I was trying to hurt myself
A sticky situation
I'm still trying to work it outAnd I didn't want to know
That I was the one to blame
Pointing my finger
Tryin' to push all the blame awaySometimes it's hard to know
That you need to be saved
'Til you hit the bottom
And rattle that cage
Sometimes you just gotta keep
Digging awy
Until you break through
To the light of dayI don't wanna die this way
I don't wanna die this way
I don't wanna die this way
I know Jesus is alive
And He's saving me everyday
It just took a little while
To figure out I had to praySometimes it's hard to know
That you need to be saved
'Til you hit the bottom
And rattle that cage
Sometimes you just gotta keep
Praying away
Until you break through

To the light of day
The light of day
The light of day
