Do Not Let Me Go

Joshua Hyslop

There are moments in this life when you can't fake it
There are moments I would walk another road
There was something in the broken way you said it
Saying 'Please, Oh, God, do not let me go'

From the moment I was born I have been dying
Yeah, we walk along towards the great unknown
Is it love if I have given up on trying
Saying, 'Oh, My God, don't leave me alone'
Saying, 'Please, Oh, God, do not let me go'

If You're up there could You lift my heavy burden
'Cause I cannot seem to make this on my own
Thought I'm not sure You can hear me, I'm still beggin'
Saying, 'Oh, My God, don't leave me alone'
Saying, 'Please, Oh God, do not let me go'
