When The Tears Are Falling

Thomas Godoj

Another day has tried
To make me older
Another second has just
Come and gone
Time has wrapped it's arm
Around my shoulders
And I'm chasing the sun
While the moon's on the runThough I'm always told that
Time's a healer
The tickin' clock don't cure
My broken heart
Sand in my hand 'til this will be over
Give me space to go onWhen the tears are falling
They never fall in vain
When the sky has spoken
Life will grow
And it's gonna last
With youEvery night is trying
To make me colder
Hiding in the corner of my eyes
I'm trying to crash if only for an hour
But it keeps me awake
There's so much I can takeWhen the tears are falling
They never fall in vain
When the sky has spoken
Life will grow
And it's gonna last
With you, with you, only with you...When the tears are falling
They never fall in vain
When the sky has spoken
Life will grow
And it's gonna last, it's gonna lastAnother day has tried
To make me older
