

Darlin'

Brenton Wood

Darlin', if I sat down and I wrote a song,
I would know where every word belongs
 'Cause I'd write my song about you.
Darlin', if I tried to paint a work of art,
All the colors would pour from my heart
 'Cause all I think about is you.
If I built a tower, it would reach right to the sky.
 If I plant a flower, it will never die.
 I could climb a mountain.
 No, there's nothing I couldn't do.
Now that's the way it is for me now that I found you.
Darlin', I find I think about you every day.
You're the only thing that's on my mind.
 Couldn't make it without you.
 Darlin', I love you.
Darlin' Darlin' Darlin', I need you.
