

Something's Happening

[Eric Clapton](#)

Somethin's happenin', somethin's goin' on
Somethin's happenin', somethin' so strong
Somethin's happenin', somethin' all over the world
Whoa Spirit's movin' and it's movin' fast
You better get aboard and don't be last
Somethin's happenin', somethin' all over the world
Whoa My life has been a series of endless changes
A constant struggle to be free
(Free)

One thing I know for sure now Baby
It's me for you and you for me Somethin's happenin', somethin's goin' on
Somethin's happenin', somethin' so strong
Somethin's happenin', somethin' all over the world
Whoa Spirit's movin' and it's movin' fast
You better get aboard and don't be last
Somethin's happenin', somethin' all over the world
Whoa Somethin's happenin', somethin's goin' on
Somethin's happenin', somethin' so strong
Somethin's happenin', somethin' all over the world
Whoa
