Showdown (Riot on Sunset)

L.A. Guns

Street fight
Black night
Heads are gonna roll
Sleazy bar
Stolen car
Where you need to go
Evil see as evil man do
And the walls come down
But you never letting go
Gonna stand your groundShowdown riot on Sunset
Showdown we're coming ready or not
Gonna give you all that we gotLove sucks
Pick up truck
And a bottle of rye
Fighting talk
Pussies walk
Another suicide
Here comes Jodie with a MIG
And a heart of stone
She's gonna blow you away
From the combat zoneShowdown riot on Sunset
Showdown we're coming ready or not
Gonna give you all that we got
