# At Your Funeral

## Pinhead Gunpowder

At your funeral
Things will be different
I will feel so goodI'll pass out cigars
Bring a big ol' cake
And a keg, yes!
I can hardly, I can hardly waitUntil they read your eulogy.
Ha ha ha! at your family
"Lets be honest guys", I'll say
"Better late then never"There were lines I didn't wanna cross
There were times spent sick with regret
Sleepless nights replaying in my head
But then I opened my eyes
To the light of the news
I'm so glad I live to see the dayHey! At your funeral
Our old friends will be surprised to see me
Smiling again. I'll bring a date
Rolling in the flowers we'll make
Ourselves at home
I can hardly, I can hardly, I can hardly waitUntil they read your eulogy.
Ha ha ha! at your family
"Lets be honest guys", I'll say
"Better late then never"
"Better late then never"
