My Only One

Mocca

We had a fight last night
And i caught him mad
Makes me feel so sad
And im so shameHe's my only one
I give him all my love
Even though my mom says no
I just go on and onNo one's gonna take him away from me
Everyday and every night
I just wanna hold him tight
And make sure that everything stays rightAnd everyday and every night
To dream of him is my delight
And know that he'll stay with me all the wayHe's my only one
I give him all my love
Even though my mom says no
I just go on and onNo one's gonna take him away from me
Everyday and every night
I just wanna hold him tight
And make sure that everything stays right
