I'm Always Here

Jimi Jamison

Some people stand in the darkness
Afraid to step into the light
Some people need to help somebody
When the edge of surrenders in siteDon't you worry,
It's gonna be alright
'Cause I'm always ready
I won't let you outta my sight(I'll be ready) I'll be ready
(Whenever you fear) oh don't you fear
(I'll be ready)
Forever and always, I'm always hereIn us we all have the power
But sometimes it's so hard to see
That instinct is stronger than reason
But it's just human nature to meDon't you worry,
It's gonna be alright
'Cause I'm always ready
I won't let you outta my sight(I'll be ready) I'll be ready
(Whenever you fear) oh don't you fear
(I'll be ready)
Forever and always, I'm always here'Cause I'm always ready
I won't let you outta my sight(I'll be ready) I'll be ready
(Whenever you fear) oh don't you fear
(I'll be ready)
Forever and always, I'm always here
Forever and always, I'm always here
