Brandy Alexander

Feist

Though I'd like to be the girl for him
And cross the sea and land for him
On milky skin my tongue is sand until
The ever distant band begins to playHe's my Brandy Alexander
Always gets me into trouble
But that's another matter
Brandy AlexanderHe's my Brandy Alexander
Always gets me into trouble
But that's another matter
Brandy AlexanderThough I know what I love most of him
I'm walking on needles and pins
My addiction to the worst of him
The low moon helps me singI'm his Brandy Alexander
Always get him into trouble
I hide that I'm flattered
Brandy AlexanderI'm his Brandy Alexander
Always get him into trouble
I hide that I'm flattered
Brandy AlexanderGoes down easy
(Easy)
It goes down easy
(Easy)It goes down easy
(Easy)
It goes down easy
(Easy)It goes down easy
(Easy)
It goes down easy
(Easy)It goes down easy
(Easy)
It goes down easy
(Easy)Brandy Alexander
