Pillow

CeticÃªncias

I asked myself how can I hurt someone that's by my side
Knowing how you would take me back beautiful girl from way off track
But leaving me blue has made me grow I played myself I told you so
It's so hard for me to let you go I'm a page you now and let you know
Some days I wish I was your pillow
And I know exactly how you feel
Every night you cry it rains on me
(On your mind is where I want to be)
Some days I wish I was your pillow
And I know exactly how you feel
Every night you cry it rains on me
(On your mind is where I want to be)
I know you deserve much better then me
With a little more time I'm sure I'll be ready for your responsibility
Me doing that was just a kidding me
Now I'm the first to say that I'm wrong would've straighten up had I known
That rainy days be so long in my heart girl was my only hope
Some days I wish I was your pillow
And I know exactly how you feel
Every night you cry it rains on me
(On your mind is where I want to be)
Some days I wish I was your pillow
And I know exactly how you feel
Every night you cry it rains on me
(On your mind is where I want to be)
Some days I wish I was your pillow
And I know exactly how you feel
Every night you cry it rains on me
(On your mind is where I want to be)
Some days I wish I was your pillow
And I know exactly how you feel
Every night you cry it rains on me
(On your mind is where I want to be)
Some days I wish I was your pillow
And I know exactly how you feel
Every night you cry it rains on me
(On your mind is where I want to be)
Some days I wish I was your pillow
(On your mind is where I want to be)
