Restless Kind

Night Ranger

Off on your own
It's a lonely ride
Seeing the things
Only seen through your eyes
Pick yourself up
Gonna try it again
Knowing that this time
You're reaching the end
The voice inside
Made me feel that I can fly
And you'll be there by my side
Forever
We're the restless kind
Lay your broken dreams upon the road
(And we will ride)
We're the restless kind
(In the morning light)
See the tears and joy fall from your eyes
(And we will ride)
We're the restless kind
Rolling down the road
With the wind in your hair
And maybe we're searching
For something we can share
One heart, one soul
Hold a mountain of dreams
The circle's unbroken
And rough around the seams
So don't you fear, my friend
You know I'll love you till the end
And I'll be there by your side
Forever
We're the restless kind
Lay your broken dreams upon the road
(And we will ride)
We're the restless kind
(In the morning light)
See the tears, the joy fall from your eyes
(And we will ride)

We're the restless kind
Yes, I know
How the world can fall upon you
And take you down, down, down
And make you feel like you're hollow inside
Do you understand
I will light the candle
And guide your soul
(Down the highway)
And give you faith in the world, oh
We're the restless kind
Lay your broken dreams upon the road
(And we will ride)
We're the restless kind
(In the morning light)
See the tears and joy fall from your eyes
(And we will ride)
We're the restless kind
(Oh woh, oh woh)
Lay your dreams upon the line
(Oh woh, oh woh)
We're the restless kind
(Oh woh, oh woh)
See the tears, the joy
(Oh woh, oh woh)
(Oh woh, oh woh)
(Oh woh, oh woh)
